HSE POLICY

The long-term business success of ES “TURKMEN LOGISTIK HYZMAT” depends on our ability to continually improve the quality of our services and products while protecting people and the environment. Emphasis must be placed on ensuring human health, operational safety, environmental protection, quality enhancement and community goodwill.

ES “TURKMEN LOGISTIK HYZMAT” requires the active commitment to and accountability for, HSE from all employees and contractors. We are committed to:

- ✓ Protect, and strive for improvement of, the health, safety and security of our people at all times;
- ✓ Eliminate HSE accidents;
- ✓ Meet specified customer requirements and ensure continuous customer satisfaction;
- ✓ Set HSE performance objectives, measure results, assess and continually improve processes, through the use of an effective management system;
- ✓ Plan for, respond to and recover from any emergency, crisis and business disruption;
- ✓ Minimize our impact on the environment through pollution prevention and the reduction and recycling of waste;
- ✓ Apply our technical skills to all HSE aspects in the design and engineering of our services and products;
- ✓ Communicate openly with the client and ensure an understanding of our HSE policy, performance. Reward outstanding HSE performance;
- ✓ Improve our performance on issues relevant to our customers that are of any concern and on which we can have an impact, and share with them our knowledge of successful HSE experience and initiatives.

This Policy shall be regularly reviewed to ensure ongoing suitability. The commitments listed are in addition to our obligation to comply with the regulations where we operate. This is critical to our business success because it allows us to systematically minimize all losses and adds value for all our customers.
